**Lecture Time Table 2023-2024**

| Lecturer                 | Curriculum                             |  | Time  |       | Day    |
|--------------------------|----------------------------------------|--|-------|-------|--------|
| Dr. Shatha Abdulmonem    | V.B.Net- theoretical                   |  | 9:30  | 8:30  | Sun.   |
|                          |                                        |  | 10:30 | 9:30  |        |
| Taha Yassin              | Operation Systems-<br>theoretical      |  | 11:30 | 10:30 |        |
|                          |                                        |  | 12:30 | 11:30 |        |
| Dr. Abdulsattar Mohammed | Computer networks                      |  | 1:30  | 12:30 |        |
| Lujain Younis            | Operation Systems- practical           |  | 9:30  | 8:30  | Mon.   |
|                          |                                        |  | 10:30 | 9:30  |        |
| Saba Qasim               | Data Structure- Practical              |  | 11:30 | 10:30 |        |
|                          |                                        |  | 12:30 | 11:30 |        |
| Marwa Najim              | Computer Networks                      |  | 1:30  | 12:30 |        |
|                          |                                        |  | 2:30  | 1:30  |        |
| Saba Qasim               | Data Structure                         |  | 9:30  | 8:30  | Tus.   |
|                          |                                        |  | 10:30 | 9:30  |        |
| Kifaa Hadi               | Computer Ethics                        |  | 11:30 | 10:30 |        |
|                          |                                        |  | 12:30 | 11:30 |        |
| Motaz Akram              | E-Business Management-<br>Practical    |  | 1:30  | 12:30 |        |
|                          |                                        |  | 2:30  | 1:30  |        |
| Taha Yassin              | Data Base                              |  | 9:30  | 8:30  | Wed.   |
|                          |                                        |  | 10:30 | 9:30  |        |
| Dr. Omar Ibrahim         | Architecture of Computer-<br>practical |  | 11:30 | 10:30 |        |
|                          |                                        |  | 12:30 | 11:30 |        |
| Dr. Shatha Abdulmonem    | V.B.Net                                |  | 1:30  | 12:30 |        |
|                          |                                        |  | 2:30  | 1:30  |        |
| Lujain Younis            | Operation Systems                      |  | 9:30  | 8:30  | Thurs. |
| Dr. Omar Ibrahim         | Architecture of Computer               |  | 10:30 | 9:30  |        |
|                          |                                        |  | 11:30 | 10:30 |        |
| Motaz Akram              | E-Business Management                  |  | 12:30 | 11:30 |        |
