

المواد المكلف بها في الفصل الثاني	الايمل الجامعي	اسم التدريسي
Engineering workshops, Bologna, practical physics, Bologna, electrical installations, practical + theoretical courses, attempts	sawsannajeebabdullah@ntu.edu.iq	سوسن نجيب عبدالله محمد
Theoretical control/fourth year/evening _____ Practical control/fourth year/evening _____ Control theories practical/third evening scheduled____ Control theories practical/third morning scheduled____ Principles of control/theoretical and practical/three attempts _____ Fourth morning project	ahmed.saad.yahya@ntu.edu.iq	احمد سعد يحيى
English, fourth stage + electrical circuits course, stage 2	sanabel.m.mohammed@ntu.edu.iq	سنابل محسن محمد علي
Embedded systems (theoretical + practical), second level + control laboratory / fourth stage	bashar.hamad@ntu.edu.iq	بشار عبدالله حمد
High pressure theoretical and practical course + graduation projects for the fourth stage + scientific research methodology course for the master's degree	ali_n_hamoodi74@ntu.edu.iq	علي ناظم حمودي
Power Electronics F1 + Power Electronics F2	rakan.antar@ntu.edu.iq	أ.م.د. رakan خليل عنتر
Transportation and distribution, fourth grade, morning and evening	Noha.m.aljwady@ntu.edu.iq	نهى عبدالباري عبدالجواد
computer applications/fourth stage/practical	alya.hamid@ntu.edu.iq	عالية حامد علي
Mathematics 4, second stage (morning + evening + attempts) + 2 projects	rashanafaa8479@ntu.edu.iq	رشاعبدالنافع محمد
Instruments and measurements/second, computer applications/fourth	ahmedalkarakchi@ntu.edu.iq	د. احمد عبدالجليل عبدالله
1- computer applications/Fourth stage (theoretical + practical), 2- Instruments and measurements (practical), 3- Alternating current circuits (practical)	Waseem_kh82@ntu.edu.iq	وسيم خالد ابراهيم
Electronics, second stage, theoretical attempts + electronics, ability, third stage, practical + electronics, practical attempts + electronics, ability, practical attempts + electronics, ability, evening work + graduation project, fourth stage	ahmed.g.alhealy@ntu.edu.iq	احمد غازي عبدالله
Mathematics 3	mustafa.raaed@ntu.edu.iq	مصطفى راند نجيب
Power system analysis morning + evening, PSA laboratory, projects	m.t.alkhayyat@ntu.edu.iq	محمود طه محمود محمدصالح
computer for the first stage, practical + theoretical, electronic, digital, attempts	hibatallahtariq@ntu.edu.iq	هبةالله طارق عبدالله حامد
Control systems, fourth stage - artificial intelligence, postgraduate studies	taha.hussien"ntu.edu.iq	طه احمد حسين
Industrial Management/Fourth Annual-- Practical Marketers Laboratory/Fourth Annual	basharms_tecm@ntu.edu.iq	بشار محمد صالح
Fourth phase motors + alternating current circuits	mti.lec109.ausama@ntu.edu.iq	أسامة خير الدين محمود

Special electric machines + alternating current machines	a.shanshal@ntu.edu.iq	م. د. عبدالله قتيبة عبدالله صالح
Electrical and Electronic Engineering/Third stage	Safwan79azb@ntu.edu.iq	صفوان عساف حمودي
Renewable energies in the evening, level 3 in the morning + high pressure, practical in the fourth in the morning	fawwazjasim@ntu.edu.iq	فواز جاسم محمد
Practical power systems analysis. Theoretical and practical fields. Direct current machines, theoretical and practical. Student projects	laith.abd@ntu.edu.iq	ليث عبدالجبار خلف
Renewable energies, 3 morning exercises + high blood pressure, 4 morning exercises	fawwazjasim@ntu.edu.iq	فواز جاسم محمد
High-pressure theoretical and practical + fourth-year graduation projects + scientific research methodology course for master's students	ali_n_hamoodi74@ntu.edu.iq	علي ناظم حمودي
Renewable energies, power systems	mohammed.yahya@ntu.edu.iq	محمد يحيى سليمان
Electrical power systems, alternating current circuits, transmission and distribution systems	ahmed.ali.znad@ntu.edu.iq	احمد علي خلف حسن
Power Transformers	mohammed.a.ibrahim1981@ntu.edu.iq	محمد أحمد ابراهيم محمود
Alternating current circuits, first level + marketers	laith.akram@ntu.edu.iq	د. ليث أكرم محمد
Power plants + project	fawas.sultan@ntu.edu.iq	فواز سلطان عبدالله
English language	omar.hazem@ntu.edu.iq	عمر حازم محمد
Power transformers + special electrical machines + alternating current machines + project	ali.alhafidh@ntu.edu.iq	علي صلاح صالح
Fourth networks + second networks + electronic capacity	noorky@ntu.edu.iq	نور قحطان يونس
