

The minimum limits for the technical engineering college						
Engineering	1	Technical College of Engineering/Mosul	Medical device technology engineering	94.14	Bio	mixed
	2	Technical College of Engineering/Mosul	Medical device technology engineering	90.57	applied	mixed
	3	Technical College of Engineering/Mosul	Cyber security engineering	87.43	Bio	mixed
	4	Technical College of Engineering/Mosul	Cyber security engineering	84.57	applied	mixed
	5	Technical College of Engineering/Mosul	Computer technology engineering	77.57	Bio	mixed
	6	Technical College of Engineering/Mosul	Computer technology engineering	68.57	applied	mixed
	7	Technical College of Engineering/Mosul	Chemical and petroleum industry technologies	76.57	Bio	mixed
	8	Technical College of Engineering/Mosul	Chemical and petroleum industry technologies	67.43	applied	mixed
	9	Technical College of Engineering/Mosul	Building and construction technology engineering	66.71	applied	mixed
	10	Technical College of Engineering/Mosul	Applied mechanical engineering techniques	65.43	applied	mixed
	11	Technical College of Engineering/Mosul	Applied mechanical engineering techniques	65	Bio	mixed
	12	Technical College of Engineering/Mosul	Power mechanics engineering techniques	65.29	Bio	mixed
	13	Technical College of Engineering/Mosul	Power mechanics engineering techniques	65	applied	mixed
	14	Technical College of Engineering/Mosul	Geomatics engineering techniques	65	applied	mixed
	15	Technical College of Engineering/Mosul	Electrical engineering techniques	65	applied	mixed
