

Northern Technical University

Mosul Technical Institute

Dept. of Refrigeration & Air Conditioning

Timetable of Lectures of the Department of Refrigeration & Air Conditioning

	Day	Class
	Sunday	Advanced Air Conditioning
		Advanced Maintenance of Refrigeration & Conditioning
		Administration & Occupational Safety
	Monday	Advanced Air Conditioning Lab
		Heat Transition
		Advanced Control
	Tuesday	Advanced Refrigeration and Air Conditioning Maintenance Laboratory
		Applied heat transfer laboratory
		Advanced cooling systems
		Project 2
	Wednesday	English 2
		Arabic
		Advanced Refrigeration Systems Laboratory
	Thursday	Advanced Control Systems Laboratory
		Advanced air conditioning systems drawing
		Advanced Refrigeration and Air Conditioning Maintenance Laboratory
