

# Northern Technical University / Technical Engineering College - Mosul

## Building and Construction Engineering Technology

Final Exam Schedule for the First Semester/ Academic Year 2025-2026

Level 2			Level 3			Level 4			Date	Day
Bologna UNESCO	Courses	Bologna (300)	Bologna UNESCO	Courses	Bologna (277)	UNESCO (120)	Courses	Yearly		
		Strength Of Materials				Design Of Reinforced Concrete Structures	Analysis And Design Of Concrete Structures	Analysis & Design Of Reinforced Concrete Structures (2)	2025\12\28	Sunday
			Pavement Engineering	Transportation Engineering	Pavement Engineering				2025\12\29	Monday
Concrete Technology-I	Concrete Technology Principles	Concrete Technology-I				Quantity Surveying & Estimating			2025\12\30	Tuesday
			Engineering Analysis		Engineering Analysis				2025\12\31	Wednesday
HOLIDAY									2026\1\1	Thursday
									2026\1\3	Saturday
			Structural Analysis	Theory Of Structures	Structural Analysis				2026\1\4	Sunday
		Calculus-Ii				Design Of Steel Structures	Design Of Steel Structures	Design Of Steel Structures	2026\1\5	Monday
HOLIDAY									2026\1\6	Tuesday
					English Language				2026\1\7	Wednesday
Crimes Of Baath Party Regime In Iraq		Crimes Of Baath Party Regime In Iraq		Advance Transportation Engineering		Transportation Engineering			2026\1\8	Thursday
			Soil Mechanics	Soil Mechanics	Soil Mechanics				2026\1\10	Saturday

		Surveying-Ii				Foundation Engineering	Foundation Engineering		2026\1\11	Sunday
			Fundamentals Of Reinforced Concrete	Reinforced Concrete Principles	Fundamentals Of Reinforced Concrete				2026\1\12	Monday
	Engineering Statistics	Probability & Statistics				Construction Drawing			2026\1\13	Tuesday
			Concrete Technology-Iii	Concrete Technology	Concrete Technology-Iii				2026\1\14	Wednesday
Building Construction	Building Construction Principles	Building Construction				Innovative Project- I	Sanitary Engineering		2026\1\15	Thursday

### Exam Instructions

1. Exams will begin at **9:00 AM** for both morning and evening shifts.
2. Exams will be held **in the halls announced by the scientific department** according to the announced student distribution.
3. All students must adhere to the following:
  1. **Adherence to the official uniform.**
  2. **Borrowing between students is prohibited.**
  3. **Identification cards must be carried.**
  4. **Sitting in assigned seats according to the halls.**
  5. **Mobile phones are prohibited in the exam hall.**
  6. **Carrying weapons is prohibited.**
- 4- Read the exam instructions carefully, especially those related to cheating.
- 5- Bringing any materials related to the exam subject into the hall is prohibited.
- 6- In case of an official holiday, the exam for that day will be **postponed to the day immediately following the last exam** in the schedule
